

DOMINICAN UNIVERSITY JOINS UNISERVITATE NETWORK!

I have the pleasure to announce that Dominican University, Ibadan-Nigeria has joined the *Uniservitate* Network!

UNISERVITATE is an initiative of Porticus and is coordinated by the Latin American Centre for Solidarity Service-Learning (CLAYSS). The *Uniservitate* Network aims to generate a systemic change in Catholic Higher Education Institutions (CHEIs), through the institutionalization of Service-Learning (SL) as a tool to fulfil their mission of an integral education, to generate agents for social change who critically engage for a better society.

The network gathers professionals, researchers, teachers, students and authorities to share experiences and knowledge related to Service Learning. The mandate of the network is institutionalization of service-learning as a tool to achieve its mission of offering an integral education to the new generations and involving them in an active commitment to the challenges of our time.

The network resonates with the most recent Vatican documents on the mission and identity of the CHEIs call for the connection between science and faith, academic excellence and community service, knowledge production and Christian witness in society, of a socially committed university.

Dominican University, Ibadan-Nigeria is delighted to be part of the Uniservitate Network.

Warmest regards,

Prof Jacinta A. Opara
